

Mathematics Coaching Program

Leads to a Mathematics Coaching Endorsement through the PA Department of Education

Open to all K-12 mathematics teachers

The program is designed to prepare mathematics leaders who aim to enhance their teaching of mathematics and the teaching of other mathematics teachers, and who can promote district-based discussions and professional development around the teaching and learning of mathematics.

Required Courses: (3 Graduate Credits Each)

EDMTH 441: Geometry & Measurement Across the K-12 Curriculum

EDMTH 442: Algebra & Functions Across the K-12 Curriculum

EDMTH 443: Data Analysis & Probability Across the K-12 Curriculum

EDMTH 444: Numbers & Operations Across the K-12 Curriculum

Courses are offered asynchronously so you can work at your own pace with optional zoom classes.
