## A Few Words from Beka & Diane

We know that you have been busy connecting with your students, families, and peers over the past few weeks of uncertain times. We also know as professionals, you have been researching, learning, and sharing free tools and resources. We just want to say...

## Thank You

For always thinking of kids first

For being innovative

For persevering through these difficult times

For continuing to be a role-model

For believing in public education

FOR BEING A TEACHER

Thank you, thank you, thank you!
